5. Fishing Rules:

- The best five (5) fish will be your contest fish, no matter how many crew members you have. No more than two (2) lake trout can be included in your best five (5) fish. All possession limits are subject to local DNR rules for the state you are fishing. Example, in Illinois, 4 licensed fishermen can keep 20 salmon and trout of which no more than 8 can be Lake Trout. The best 5 fish of their 20 fish limit would be weighed in for the tournament.

Any boat that attempts to weigh-in a salmon or trout that is under the 10-inch minimum will be disqualified. All fish must be laid flat and measured from end of tail to tip of nose.
- Each team must comply with the fishing regulations of the state they are fishing in, with a maximum of 9 rods per boat remember, in Wisconsin, it is 9 *baits*, not 9 rods.
